

**11th International Congress on Shwachman-Diamond
Syndrome - June 5th – 8th, 2025
The Summit Hotel
5345 Medpace Way
Cincinnati, OH 45227**

**Thursday, June 5, 2025
Day 1**

Time (EDT)	Agenda Item	Speaker
11:00am-12:00pm	Registration Opens for check-in	
12:00 - 12:15pm	Welcome to Cincinnati: Kasiani Myers, MD, (Cincinnati Children's Hospital Medical Center)	
12:15-1:30pm	Living with SDS: Chair: Kasiani Myers, MD (Cincinnati Children's Hospital Medical Center) & Akiko Shimamura, MD PhD (Boston Children's Hospital)	
	Speaker 1 Topic: Patient Family Interview	Kasiani Myers, MD (Cincinnati Children's Hospital Medical Center)
	Speaker 2 Topic: Needs of the SDS Community	Panel Discussion Moderator: Akiko Shimamura, MD PhD (Boston Children's Hospital)
	Speaker 3 Topic: Where should the focus be in SDS research	Panel Discussion Moderator: Stella Davies, MBBS, PhD, MRCP (Cincinnati Children's Hospital Medical Center)
1:30-2pm	BREAK	
2:00-4pm	Transitioning from Pediatrics to AYA/Adult: Chairs: Allen Warren, MBChB, PhD (University of Cambridge)& Timothy Olson, MD PhD (Children's Hospital of Philadelphia)	
	Speaker 1 Topic: Adult phenotypes of SDS	Christopher Reilly, MD (Dana Farber Cancer Institute)
	Speaker 2 Topic: Transition in Inherited BMF syndromes	Daria Babushok, MD PhD (University of Pennsylvania)
	Selected Oral abstract presentations	2-3 selected oral abstracts
4:00-5:00pm	Interactive SDS Jeopardy: Stella Davies, MBBS, PhD, MRCP (Cincinnati Children's Hospital Medical Center), Jane Koo, MD (Cincinnati Children's Hospital Medical Center), Nicholas Gloude (UCSD/Rady Children's)	

**Friday, June 6, 2025
Day 2**

Time	Agenda Item	Speaker
8:00-9:15am	Ribosomal Biology: Chairs: Nicholas Gloude, MD (UCSD/Rady Children's) & Johanna Rommens, PhD (University of Toronto)	
	Speaker 1 Topic: Protein synthesis and Homeostasis in Hematopoietic Stem Cells	Rob Signer, PhD (University of California San Diego)
	Speaker 2 Topic: Targeting the Ribosome	Allen Warren, MBChB, PhD (University of Cambridge)
	Selected Oral abstract presentations	2-3 selected oral abstracts

9:15-10:45am	Related Ribosomopathies: Chairs: Stefano Biffo, PhD (Istituto Nazionale Genetica Molecolare), Steve Bruner, PhD (University of Florida)	
	Speaker 1 Topic: EIF6 and SBDS	Stefano Biffo, PhD (Istituto Nazionale Genetica Molecolare)
	Speaker 2 Topic: Biology of SRP54	Steve Bruner, PhD (University of Florida)
	Selected Oral abstract presentations	2-3 selected oral abstracts
10:45-11am	BREAK	
11:00am-12:15pm	Novel Models of SDS: Chairs: Marc Raaijmakers, MD PhD (Erasmus Medical Center Cancer Institute) & Yigal Dror, MD, FRCPC (Toronto Sick Kids)	
	Speaker 1 Topic: Stromal Biology and SBDS	Marc Raaijmakers, MD PhD (Erasmus Medical Center Cancer Institute)
	Speaker 2 Topic: Modeling IBMF on a Bone Marrow Chip	David Chou, MD PhD (Wyss Institute, Harvard)
	Selected Oral abstract presentations	2-3 selected oral abstracts
12:15-1:15pm	LUNCH	
1:15-2:15pm	Peter Durie Memorial Keynote: Akiko Shimamura, MD PhD (Boston Children's Hospital)	
2:15-2:45pm	BREAK	
2:45-4:15pm	Novel Strategies for SDS: Chairs: Allison Bertuch, MD PhD (Texas Children's Hospital) & Helen Reed, MD, MPH (Boston Children's Hospital)	
	Speaker 1 Topic: Gene Therapy for SDS	Dan Bauer, MD PhD (Boston Children's Hospital)
	Speaker 2 Topic: Murine models of SDS	Timothy Olson, MD PhD (Children's Hospital of Philadelphia)
	Selected Oral abstract presentations	2-3 selected oral abstracts
4:15-5:15pm	BREAK	
5:15pm	Buses to Gala	
6:00-10:00pm	Gala Dinner: Cincinnati Museum Center	

Saturday, June 7, 2025

Day 3

Time (EDT)	Agenda Item	Speaker
8:00-9:30am	Translational Studies and Evolving Phenotypes of SDS: Chairs: Daria Babushok, MD PhD (University of Pennsylvania) & Tarek Elghetany, MD (Texas Children's Hospital)	
	Speaker 1 Topic: Radiosensitivity in SDS	Allison Bertuch, MD PhD (Texas Children's Hospital)
	Speaker 2 Topic: Genetic bone disease in SDS	Christine Jacobsen, MD PhD (Boston Children's Hospital)
	Selected Oral abstract presentations	2-3 selected oral abstracts
9:30-11:05am	Non-Hematologic Manifestations of SDS: Chairs: Amit Grover, MD (Boston Children's Hospital) & Jane Koo, MD (Cincinnati Children's Hospital Medical Center)	
	Speaker 1 Topic: Gastrointestinal Phenotypes of SDS	Amit Grover, MD (Boston Children's Hospital)
	Speaker 2 Topic: Non-Hematologic disease in DBA: Lessons from the DBA Registry	Adrianna Vlachos, MD (Cohen Children's Medical Center)
	Selected Oral abstract presentations	2-3 selected oral abstracts

11:05am-12:35pm	Neurodevelopment in SDS: Chairs: Elizabeth Kerr, PhD (Toronto Sick Kids) & Thea Quinton, PhD (Cincinnati Children's Hospital Medical Center)	
	Speaker 1 Topic: Neurodevelopmental phenotypes of SDS	Elizabeth Kerr, PhD (Toronto Sick Kids)
	Speaker 2 Topic: Addressing neuropsychological needs in SDS	Interactive Panel: Moderator Thea Quinton, PhD (Cincinnati Children's Hospital Medical Center)
	Selected Oral abstract presentations	2-3 selected oral abstracts
12:35-1:30pm	LUNCH	
1:30-3:00pm	Clonal Evolution in SDS: Chairs: Alyssa Kennedy MD PhD (St. Jude's Children's Hospital) & Chris Reilly, MD (Dana Farber Cancer Institute)	
	Speaker 1 Topic: Clonal Evolution and TP53 in SDS	Alyssa Kennedy, MD PhD (St. Jude's Children's Hospital)
	Speaker 2 Topic: Alternative Pathways for Clonal Evolution in SDS	Felicia Andresen, MD (Boston Children's Hospital)
	Selected Oral abstract presentations	2-3 selected oral abstracts
3:00-4:30pm	Malignancies in SDS: Chairs: Jean Donadieu, MD PhD(Hôpitaux de Paris) & Courtney Dinardo, M.D., MSCE (MD Anderson)	
	Speaker 1 Topic: Defining MDS in Inherited BMF	Tarek Elghetany, MD (Texas Children's Hospital)
	Speaker 2 Topic: Leukemia Risk in SDS: Results of an International Collaborative Study	Jean Donadieu, MD PhD(Hôpitaux de Paris)
	Selected Oral abstract presentations	2-3 selected oral abstracts
4:30-5:30pm	BREAK	
5:30-6:45pm	Poster Session	

Sunday, June 8, 2025

Day 4

Time (EDT)	Agenda Item	Speaker
8:00-9:30am	Surveillance/Transplant Strategies in SDS: Chairs: Adrianna Vlachos, MD (Cohen Children's Medical Center)& Akiko Shimamura, MD PhD (Boston Children's Hospital)	
	Speaker 1 Topic: Transplant for SDS and Inherited BMF	Kasiani Myers, MD (Cincinnati Children's Hospital Medical Center)
	Speaker 2 Topic: Surveillance and Timing of Transplant in SDS	Panel Discussion Moderator: Adrianna Vlachos, MD PhD (Dana Farber Cancer Institute)
	Selected Oral abstract presentations	2-3 selected oral abstracts
9:30-11:15am	Novel Approaches to MDS/AML in Inherited BMF: Chairs: Zahra Hudda, MD (Cincinnati Children's Hospital Medical Center) & Kasiani Myers, MD (Cincinnati Children's Hospital Medical Center)	
	Speaker 1 Topic: Alternative strategies for AML in IBMF patients	Courtney DiNardo, M.D., MSCE (MD Anderson)
	Speaker 2 Topic: NK cell cellular therapies for AML	Zahra Hudda, MD (Cincinnati Children's Hospital Medical Center)
	Selected Oral abstract presentations	2-3 selected oral abstracts

**11:15-
11:30am**

Closing Remarks: Kasiani Myers, MD (Cincinnati Children's Hospital Medical Center)
